This should be scheduled 2 to 3 months prior to your wedding day and will be held at the salon. Bring everything you will wear on your big day, such as veil, jewelry, hair pieces, accessories, and so on. In addition, provide an image of wedding dress and inspirational hair ideas. Please arrive at your appointment with clean, dry hair. A shampoo and blow dry can be requested, but additional fees will be added. This preview is a 90-minute appointment. (Anyone receiving wedding day services is welcome to schedule this appointment. Pricing will be quoted at time of service.)

At this appointment, we will review and finalize the number of people receiving services on your wedding day.

Your hair will be styled as we discussed during your preview appointment.

Additional Salon Services Available

The bride will receive a salon discount for the services listed below in preparation for the wedding.

Color & Cut

Hair color and/or cuts can be scheduled prior to the wedding day. Please discuss with Netanya Lynn Beauty for more details.

Hair Extensions

If you desire a longer or fuller style than your natural hair, extensions can help create the look you want. Extensions can be clipped in for the day or installed using longer lasting methods. We will color match at a consultation appointment. If anyone else in the wedding party would like extensions, they will need to make an appointment prior to the wedding day.

Lash Services

Lash lifts brighten up the eyes with fuller looking lashes. For someone new to this service, an appointment should be made at least 8 weeks prior to the wedding day to allow time to recover from any allergic reactions to the products. Reactions are uncommon, but do happen so we take all precautions needed.

Wax Services

Facial waxing should be scheduled one week prior to the wedding day.
